

- 
- A world map illustrating the geographical distribution of research focus, categorized into three levels: Country-specific (dark green), Sub-regional (light green), and Continental (orange). The map shows that North America, Australia, and parts of Europe and Asia are primarily country-specific. Africa, South America, and parts of Europe and Asia are primarily continental. Russia and parts of Europe and Asia are primarily sub-regional.
- Country-specific
  - Sub-regional
  - Continental
